

April 16, 2021

PRESS RELEASE

Centaur Communications respects the right of the BNTU to take industrial action. The information shared regarding any non-payment or overdue taxes to the Government of Belize is false. As of April 15th, 2021, Centaur Communications has paid in full all taxes and fees due to the Government of Belize.

Furthermore, Centaur Communications has remained committed to schools in the Corozal, Orange Walk and Belize districts by providing free cable and internet access and, in recognition of the need to shift to distance learning, has and continues to offer reduced internet service rates to in need students identified by their school that are unable to pay standard rates.

As a socially responsible company, Centaur Communications has and will continue to provide support to students, educators and schools.
